

Defendant asks this Court for an order authorizing the release of records from various agencies. The State notes that Defendant has not served counsel for those agencies with his request. Because those agencies may object to Defendant's request, the State asks this Court to require Defendant to notice counsel for the agencies listed within his Motion for Release of Records.

And with regard to Defendant's request for records from the Arizona Department of Corrections, the State requests that this Court include language in its order allowing redaction of the records released. Specifically, the State requests that the order allow the Department of Corrections to redact the records released "in accordance with the law to protect the security of the institution and the safety of inmates and staff."
