

October is Domestic Violence Awareness Month

“As your County Attorney, I remain committed to assisting all crime victims. October serves as Domestic Violence Awareness Month and the Pinal County Attorney’s Office will host and participate in activities throughout the month to raise awareness within Pinal. Domestic, relationship, and teen dating violence is illegal yet continues to occur. Far too often, victims of these violent crimes remain silent. I hope that by bringing this discussion to the forefront, we inform victims and their families of the resources available to them and encourage them to come forward to seek help. If you or someone you know is a victim of domestic violence, don’t remain silent. Get help by calling 911.”
