S1222: UNAUTHORIZED PLEA AGREEMENTS; DEPORTED ARRESTEES (~~TECH CORRECTION; MILITARY AFFAIRS~~)

The court is prohibited from placing a defendant on probation and is required to sentence the defendant to at least the presumptive term of incarceration in the Department of Corrections if the defendant was previously deported from the U.S. after being arrested, is convicted of a felony violation, and the trier of fact determines that the defendant was in violation of specified federal law relating to unlawful presence or employment in the U.S. at the time of the commission of the offense. For the purpose of release on bailable offenses before trial, it is a rebuttable presumption that a person on whom a hold has been placed by the U.S. Immigration and Customs Enforcement is a flight risk, and the judicial officer is prohibited from releasing the person under only the supervision of pretrial services on on the person's own recognizance pending trial. AS PASSED SENATE.

S1274: ADOT OMNIBUS

Various changes related to the Department of Transportation. The Director of the Dept is authorized to establish alternative methods and use contracted private persons for the administration and oversight of programs, functions or persons that are subject to Title 28 (Transportation), and to adopt rules to administer these methods and contracts. The Dept is authorized to establish a program to lease or sell advertising on nonhighway assets of the Dept and to allow monetary sponsorship of facilities and other assets of the Dept. The Dept is permitted to generate revenue from any advertising or sponsorship program and to contract with a third party to perform any or all aspects of the program. The list of transportation-related statutes that the State Transportation Board and the Director of the Dept are not exempt from is expanded, and the list of purposes for which they are exempt is modified. The list of reasons for which the Dept may issue a vehicle certificate of title without registration is expanded to include that the vehicle is a trailer or semitrailer that will be used in interstate commerce and that is registered in another state. Reduces the amount of time a temporary registration is valid to 60 days, from 90 days. Authority to appoint a special assistant for the regional transportation plan is transferred to the regional planning agency, from the Director of the Dept. AS PASSED SENATE.
