III. Ideas for 2016 Session

KIM MACEACHERN
Possible Action

- A. Council Meeting Schedule: during the early part of the session schedule Council meetings to facilitate timely consideration of dropped bills.
- B. *From Liliana Ortega: amend 13-109.B.3. to read: "in the course of travel" rather than "via a conveyance".* In this case smugglers were on foot and rapes occurred near county line between Santa Cruz and Pima but the exact location was unclear, creating a dismissible jurisdictional issue. Fact for consideration by jury.
- C. Drug Endangered Children. Note: Child fatalities due to maltreatment increased to 92 deaths in 2013 from 70 deaths in 2012. Eighty percent of children who died due to maltreatment were less than 5 years old. In 36 percent of maltreatment deaths, the perpetrator was the child's mother or father. Substance use was associated with 51 maltreatment deaths. In 2012, 11 of the deaths had a case open with a child protective services agency at the time of death; in 2013, 22 deaths had an open case with a child protection services agency at the time of death. Blunt force traumas, suffocation and motor vehicle crashes accounted for 57 percent of maltreatment deaths.
